

REGULATION COMPLIANCE STATEMENT

ITAR/DFARS

Statement Issue Date: 01/03/2022

Bead Industries is not registered with the Directorate of Defense Trade Controls (DDTC)

Bead Industries is compliant with the International Traffic in Arms Regulations (ITAR). Any defense articles or defense services, including related technical data, controlled by the ITAR, to which Company may obtain access will not be used for any purpose or in any way other than that authorized by the U.S. Department of State, Directorate of Defense Trade Controls (DDTC), and will not be further exported, transferred, or disclosed via any means whatsoever (including oral disclosure, photographic image, electronic communication, visual access, facsimile)

Bead Industries Standard Products (Includes all Bead Chain Products):

- All Bead Industries standard products meet the requirements of "Commercial Component" as defined by Federal Acquisition Regulation section 2.101.
- All Bead Industries standard products meet the requirements of commercially available off-the-shelf (COTS) as defined in DFARS 252.225-7009 section (2)(i).
- As such, all Bead Industries standard products are exempt from the Restriction on Specialty Metals.

Bead Industries Custom Products:

- All Bead Industries custom products developed in conjunction with a DFARS controlled program will be certified to meet the requirements of 252.225-7009 on a case by case basis. Custom product certifications may be requested through compliance@BeadElectronics.com
