

REGULATION COMPLIANCE STATEMENT

Persistent Organic Pollutants (POP)

Statement Issue Date: 11/03/2025

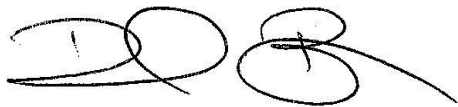

Products Covered: All Products Manufactured by Bead Electronics & Bead Chain

It is hereby certified that all products manufactured by Bead Electronics meet the requirements of the Persistent Organic Pollutants (POPs) Regulation (EU) 2019/1021. No POPs substances are intentionally added during the manufacturing process of our plated or un-plated products.

All Bead Electronics parts and raw materials are verified to be free from regulated organic pollutants, including but not limited to:

- Polychlorinated biphenyls (PCBs)
- Polychlorinated naphthalenes (PCNs)
- Short-chain chlorinated paraffins (SCCPs)
- Hexabromobiphenyl (HBB)
- Polybrominated diphenyl ethers (PBDEs)
- Hexachlorobutadiene (HCBD)
- Perfluorooctane sulfonic acid (PFOS) and related compounds

The information provided is based on Bead Electronics' best knowledge and belief as of the date of this statement.
